## What is a Christian Ashram?

The Christian Ashram was started in 1930 by Dr. E. Stanley Jones, missionary to India and worldwide evangelist.

Ashram is a Sanskrit word meaning “away from hard work.” At the Christian Ashram, people gather across barriers of race, class, culture, and religion to practice living together in the Kingdom of God.

### Jesus is the center of the Christian Ashram.

It is for people of all ages, races, and walks of life, single or married, with children or without. As we open our hearts to God and to one another, we begin to see our lives transformed.

If you have never attended a Christian Ashram, you are in for a treat. Mornings and evenings we focus on coming together in prayer and service, Bible study, and inspiring messages. The afternoons are free for swimming, softball, tennis, volleyball, sightseeing or visiting with one another.

It's a great place for a family vacation. There is Christ-centered programming for all ages! The natural setting is awe-inspiring and the food is great!

## Have a Life-Changing Experience!

The Keuka Christian Ashram promises to be an exciting, fulfilling experience.

Enjoy God's presence on the campus of the Keuka College on the banks of Keuka Lake in the Finger Lakes region of New York.

We hope that you will find:

- New life in Christ.
- New joy in your spiritual journey.
- New depth in your relationships.
- New energy for your churches and communities!
