### What is a Christian Ashram?

If you've never been to a Christian Ashram, you may wonder at the name. The Christian Ashram ministry was started by E. Stanley Jones, a missionary to India and a world-wide evangelist. The word "ashram" is a Sanskrit word that means "retreat from hard work." In India, ashrams were retreats centered around a teacher. At the Christian Ashram, Jesus is the center.

### Everyone is welcome at the Christian Ashram.

People of all ages, races, and walks of life – single or married, with or without children come together. We take time to practice what it means to live the Way of Jesus Christ. There is Christ-centered programming for all ages. For very young children there will be childcare, so parents can listen to the uplifting messages and take part in small group prayer time.
